The 5x larger comment was in reference to the increase in size of the original Batman game, Arkham Asylum. I would argue the level design for the interior sections of AC is actually inferior to a lot of what was seen in AA but they have different design philosophies with the swap to the open world and I do feel that comparisons between the two are often misguided.

### Seriously....only a new suit and some controller options ...

So, I got a Wii U with several games including Batman Arkham City Armored Edition. I also just happened to get Arkham Asylum GOTY edition for the Xbox 360 (from 2 different people who didn't know what the other person got actually). I had never played the series and have played through Arkham Asylum and loved it.
