### **Manuals and Downloads - Bose**

The Bose 901 has created more of a stir in audio circles than any other loudspeaker we can think of, with the possible exception of the original Acoustic Research system. Much of the 901's popularity is attributable to Julian Hirsch's rave report in Stereo Review, and there is no doubt but that Amar Bose's compellingly convincing ads had their effect, too. But these things alone could

The Bose 901 has been around for 50+ years and has long been considered a divisive product within the audiophile community. I was born in 1982 and until this week I had never heard the Bose 901 speakers. I'd just heard about them. Everything we all have heard and read. The same old clichés. Some love them. Some love the nostalgia of them.

## **University at Buffalo**

Julian Hirsch's review of the Bose 901 in 1968 helped set off one of the greatest and longest-lasting audiophile debates. There may be no singular product in modern audio history that has generated more accolades, derision, or pure controversy than the Bose 901 loudspeaker. Introduced in 1968 by a then four-year-old concern named after its MIT-educated founder, the 901 neither looked, nor

## **Flashback 1968: The Bose 901 Speaker System | Sound & Vision**

Bose 901 Series VI Speakers Review In audiophile circles Bose is usually a punch line to a joke, or even seen as the great corporate evil of audio. Bose is known only using paper cone drivers pushed into unusually small boxes, never publishing frequency response specs, and suing Consumer Reports for giving them a bad review.
