How Asia Works Success And

Studwell's How Asia Works is a forceful challenge to a previous Washington Consensus of international development. His models for success are the German Historical School and the United States in the 19th century, and more recently South Korea, Japan, Taiwan, and China -- and by contrast, he sees more failure in Malaysia, the Philippines, Thailand, and Indonesia.

How Asia Works: Success and Failure in the World's Most ...

The first book to offer an Asia-wide deconstruction of success and failure in economic development, Studwell's latest work is provocative and iconoclastic - and sobering reading for most of the world's developing countries. How Asia Works is a must-read book that packs powerful insights about the world's most misunderstood continent.

How Asia Works: Success and Failure in the World's Most ...

The book, 'How Asia Works' narrates the story of how the three North East Asian nations (Japan, South Korea, Taiwan) and now China have effectively employed those economic policies to attain prosperity while the South East Asian nations (Malaysia, Indonesia, Philippines and Thailand) doing the same but ineffectively, failed.
