The Third Edition of this successful text includes extensive changes, based on feedback from students and lecturers. There is a discussion of auditing and the law beyond the issue of third-party liability; and more coverage of recent developments in audit methodologies and techniques.

SAGE Books - Current Issues In Auditing
With a new public image, auditing was heralded as facing an exciting, if sometimes controversial, future (p. 12). Twelve years on, the growth of auditing has led some to suggest that we are now living in the 'Audit Society' (see Power, 1994) yet the audit function still stands surrounded by mystique and paradox.
