...

This is the basic idea behind Mike Breen's upcoming book *Multiplying Missional Leaders*. Many of the concepts and ideas I've written about on this blog were prompted by the teachings and conversations with Mike that I've been a part of: the idea that structure comes before life, and that (the right kind of) centralization must happen before decentralization will be successful...

### **Multiplying Missional Leaders: A Review » Ben Sterneke**

What Mike Breen calls a missional community, Gateway in Austin calls a network, Mosaic in LA calls a tribe, etc.. All of these come from the idea of oikos or household or extended family. These may begin with one or two families, but when done well more families needing community discover it.

### **Our Story — 3DM Publishing**

By Mike Breen. The following is a brief excerpt from Mike's forthcoming book Multiplying Missional Leaders, which comes out at the beginning of May. One of the problems about Millennials (or Gen Y, the generation right after Gen X) is that people within the generation have, in general, been over-parented.
