Primal Branding Create Zealots For

Primal Branding is one of my best branding books. It is the best I have read on creating brand narrative and strategy for a company. Patrick redefine branding in a more simple and powerful way. A lot has changed since the advent of branding which was defined by companies but now there is a flip, people define the brand.

Primalbranding: Create Belief Systems that Attract ...

In Primal Branding, Hanlon explores those seven components, known as the primal code, and shows how to use and combine them to create a community of believers in which the consumer develops a powerful emotional attachment to the brand. These techniques work for anyone involved in creating and selling an image, from marketing managers to social advocates to business leaders seeking to increase customer preference for new or existing products.
