The Phoney Victory The World

The core thesis of Peter Hitchens' The Phoney Victory is that World War 2 was not a truly moral war, nor was it a clean war, nor was the Allied victory truly a victory for all Allied powers. "Does war against an appalling exceptional evil excuse lesser, more commonplace evils committed by your own side?"

The Phoney Victory: The World War II Illusion by Peter ...

The Phoney Victory: The World War II Illusion is a book by Peter Hitchens. It was published in August 2018 by I.B. Tauris. The book addresses what Hitchens regards as the national myth of the Second World War, which he believes dealt long-term damage to Britain and its position in the world.. He argues that while the allies were, indeed, fighting a radical evil, they sometimes used immoral ...
