## **What Role Did Women Play in World War I?**

The role of women in the 1930s was primarily to become the glue that holds the family together through economic strife, according to the Gilder Lehrman Institute of American History. Though men were still primarily the bread winners, women were tasked with feeding and caring for the family on increasingly tiny budgets.

## **What Was the Role of Women in the 1930s?**

The role of women in traditional Judaism has been grossly misrepresented and misunderstood. The position of women is not nearly as lowly as many modern people think; in fact, the position of women in halakhah (Jewish Law) that dates back to the biblical period is in many ways better than the position of women under American civil law as recently as a century ago.
