### The Sunflower Forest

The problem with 'The Sunflower Forest' is not that it is also a work of fiction, but that it doesn't focus on children with special needs like Hayden's other novels. At first, this put me off. Saying this, after finally getting into the I am a huge fan of Hayden's books having already read several of her non-fiction books about the children she has worked with.

### The Sunflower Forest by Torey L. Hayden - Goodreads

When I started The Sunflower Forest, I was excited. Jordan was the first book I'd read in ages that advanced a perspective on environmental issues that seemed fresh and new. It bespoke promises of a personal paradigm shift, if a small one. Jordan starts at Leopold's commandment to "see land as a community to which we belong."

The Sunflower Forest is a science book that taught me more about community than many books ostensibly about community. It's also an insightful, if a little "out there" treatise on restoration ecology. The lessons are profound, but the policy recommendations - a debate within a narrow field of eco-philosophers - will date very quickly.
